

LET YOUR SPIRIT COME ALIVE

Summon up the party spirit of Mexico at our Día de los Muertos celebrations this autumn.

We've partnered with our good friends at Patrón Tequila to create a host of tantalising cocktails for you to enjoy as you raise a glass to the near, dear and departed in style.

What's more, we've adorned our entrance with a stunning marigold and calavera inspired installation, welcoming all souls to embrace the bold bursts of colour and intricate ornaments celebrated in the heart of Mexico's most renowned festival.

A discretionary optional service charge of 12.5% will be added to your bill.
