

MIRACLE ON MOUNT CRUMPIT

For Christmas this year, we've put up a spruce, created a cocktail and called it Grinch Jooose.

We're full of good cheer and our hearts will not harden

As we bring to you Whoville at The Ivy Chelsea Garden.

With cocktails and puddings and lots of surprises, enough fun to grow a Grinch heart three whole sizes.

A discretionary optional service charge of 12.5% will be added to your bill.
